

FIRST LEGO League 2019 City Shaper Field Kit Packing Instructions v2

(because I didn't think about fingers poking thru handles)

**READ CAREFULLY –
this is a 3-D puzzle**

ALSO USE THIS TO UNPACK THE BOX

Required Supplies:

Bankers Box & one Gallon Bag

MK Baldwin
SC Head Referee

1

Before Stripping the Field #1

Remove **blue** block from Crane.
Combine **Precision Tokens**.
Gather Drone & Bat.
Set aside temporarily.

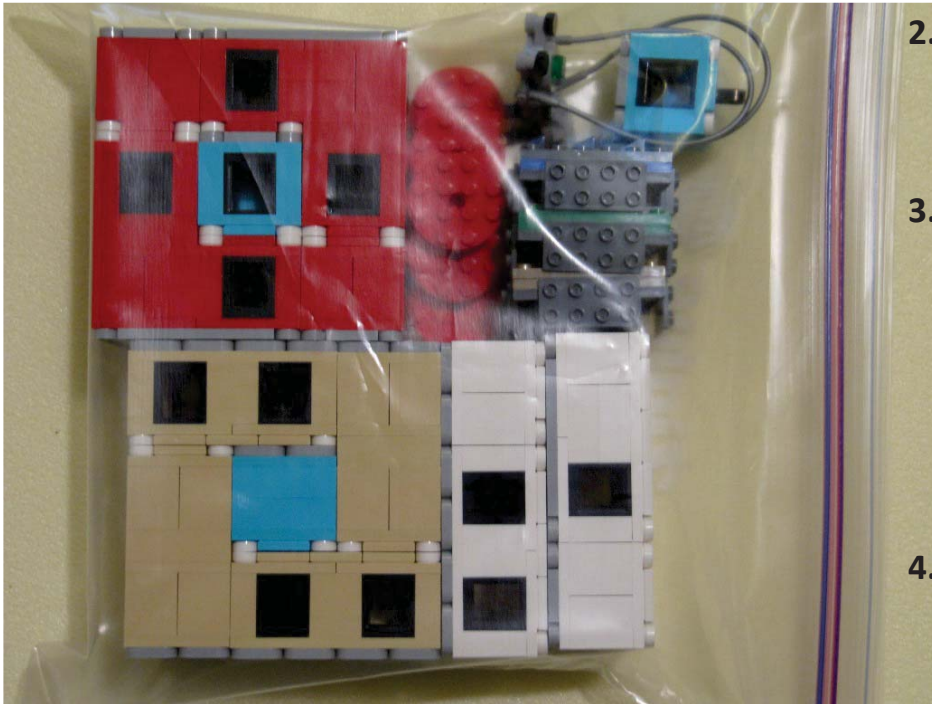

Stack the colored buildings as shown.
The **blue** buildings fit two inside the
red and two inside the **tan**.

2

Before Stripping the Field #2

1. Slide the stacks of colored buildings into the gallon bag as shown.

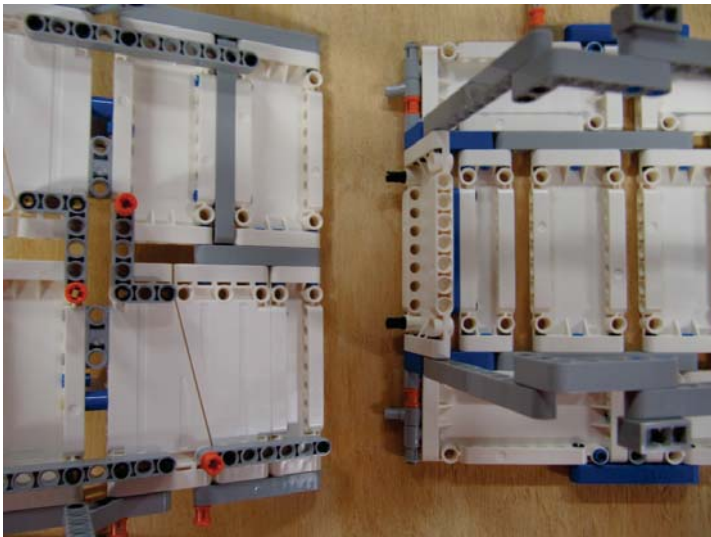

2. Slide the Precision Tokens into the gallon bag as shown.

3. Stack the Sustainability Upgrades (rooftops) and slide them in. Loop the Drone and the Bat around the blue block from Crane and slide them in.

4. Zip the bag closed.

3

Begin Stripping the Field #3

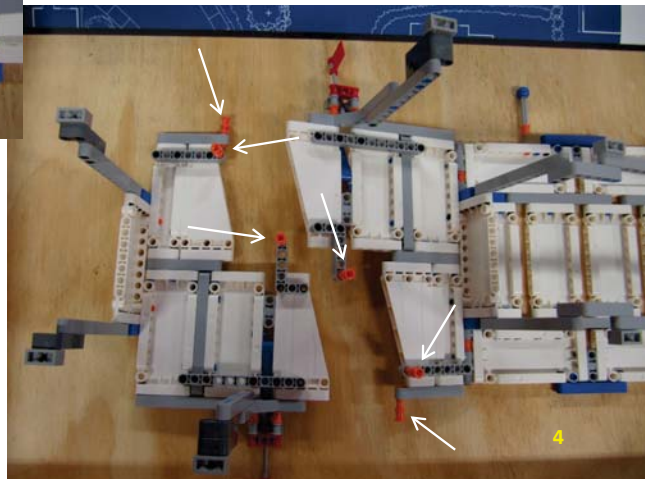

1. Lift the ENTIRE Elevated Places structure off of the two fields.

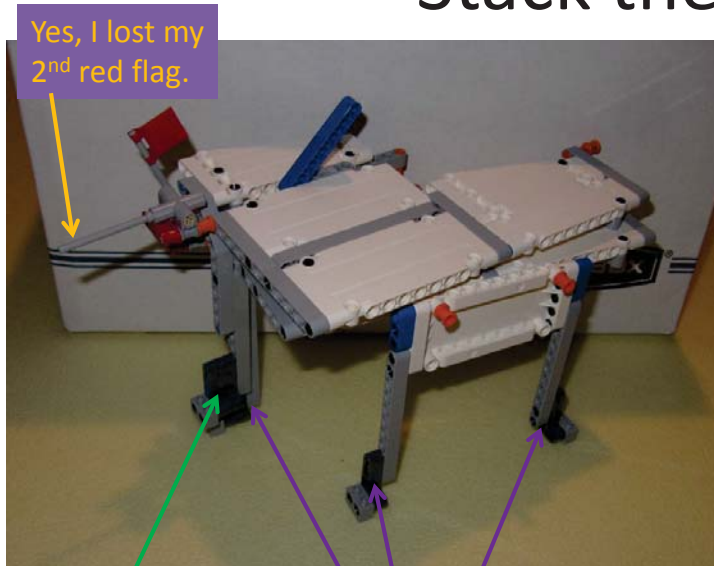

2. Detach the center platform from the two ramps by pulling straight apart.

3. Pull the six **orange** connections part-way out.

4. Disconnect the two pieces.

Stack the Decks

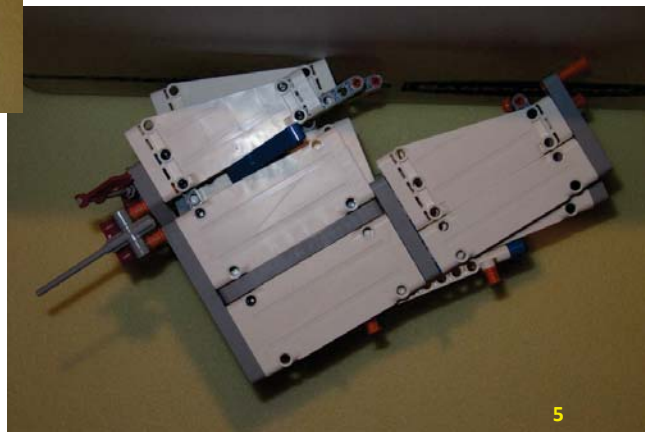

Single leg of smaller deck piece.

Three legs of larger deck piece

Set aside for later

Stack the two Elevated Places deck pieces as shown.

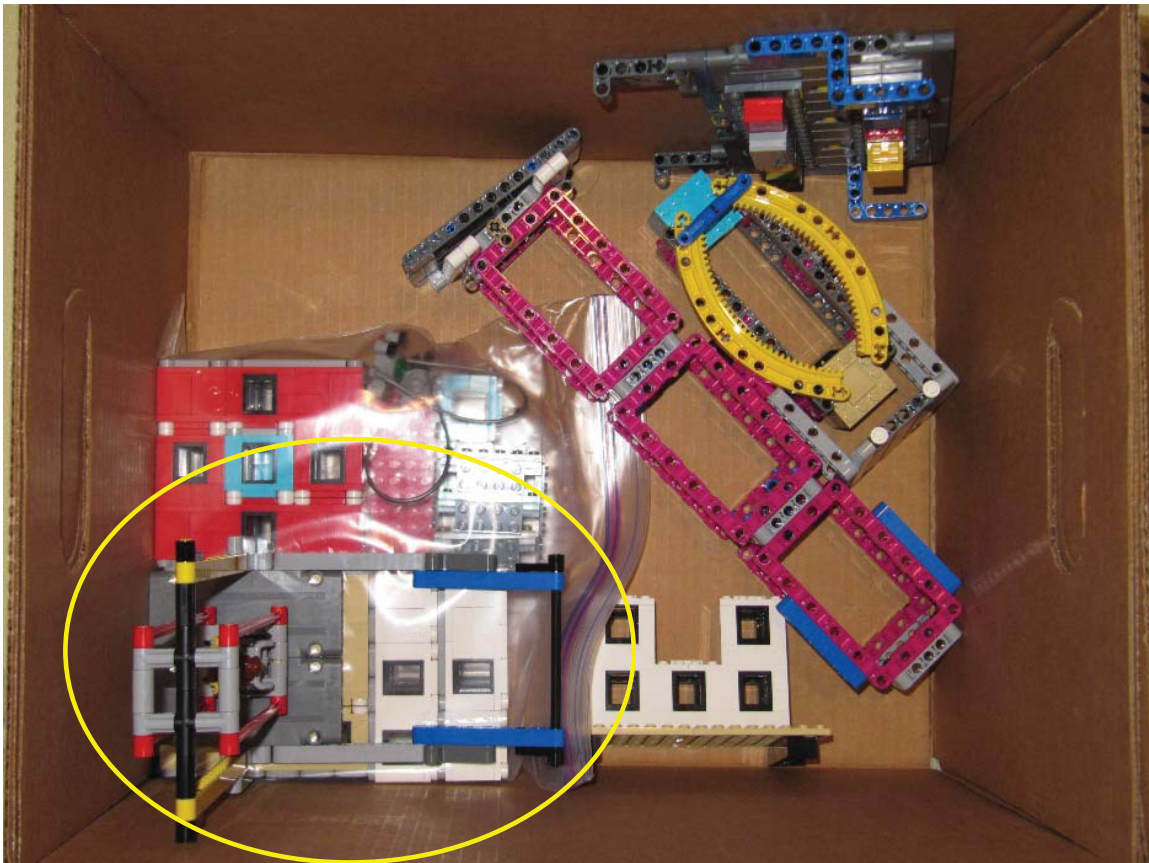

The smaller one (single leg) fits on top of the larger one (three legs).

Bottom Layer:

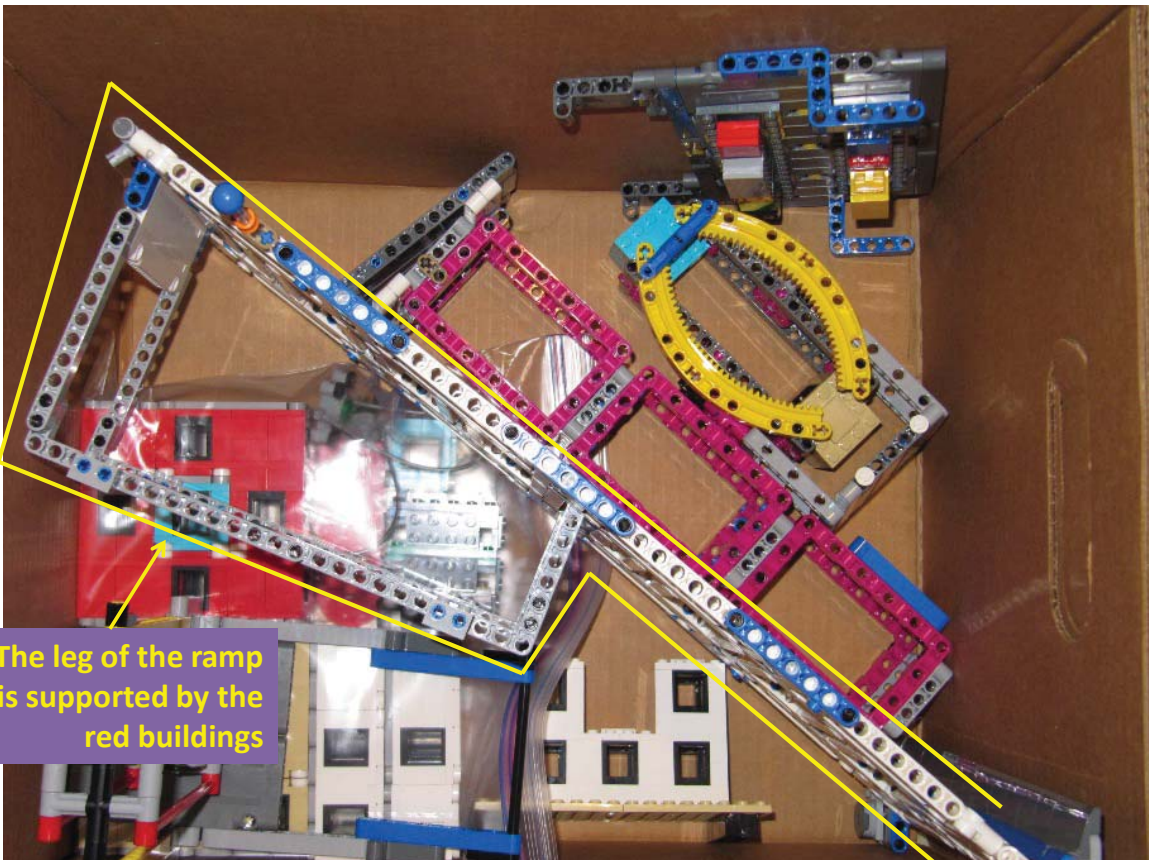

Swing

7

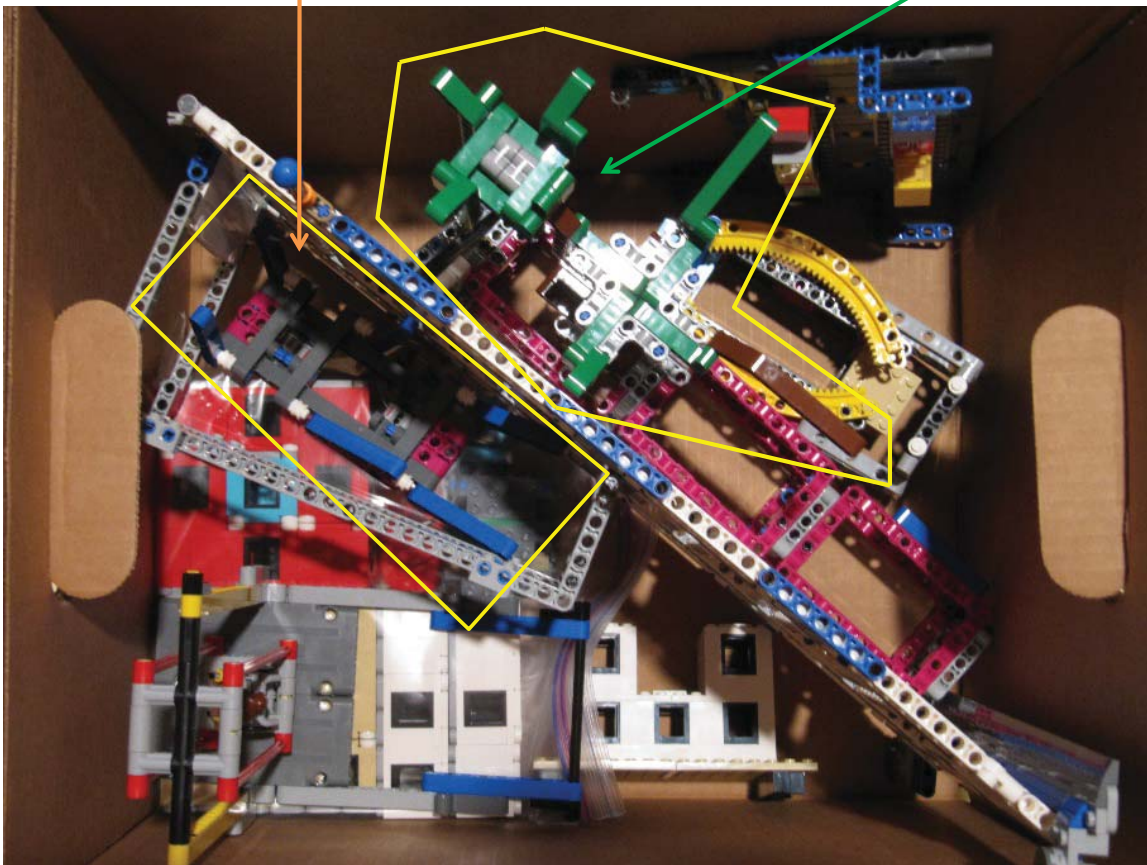

Elevated Places Ramp

The leg of the ramp
is supported by the
red buildings

8

Safety Factor Base & Tree

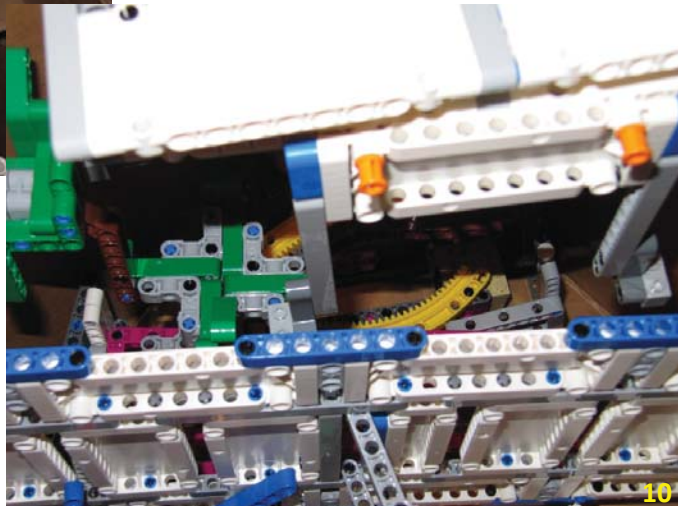

9

Placement of Elevated Places Deck

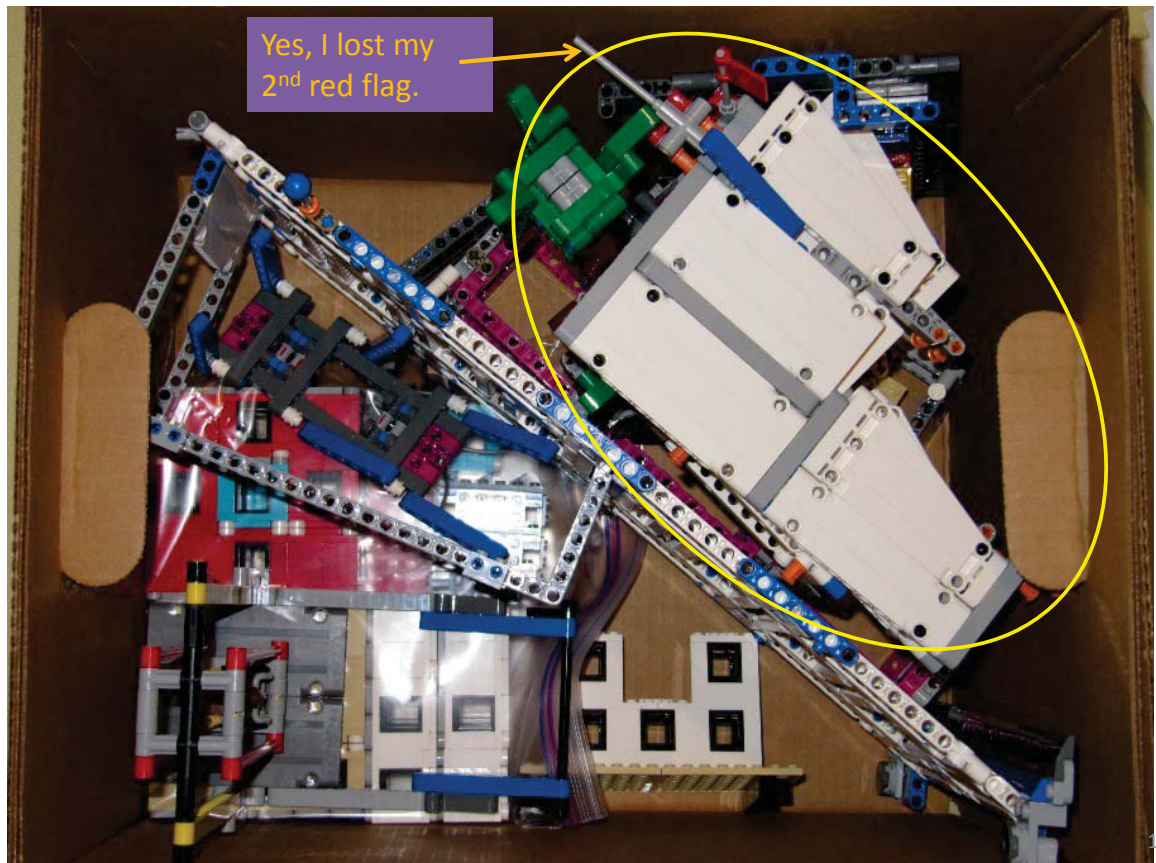

Gently lower the stacked
Deck down beside the Tree

10

Elevated Places Deck

Crane
